General Rules and Directions

1. The tenderer shall fill in the rates both in words and figures. The amount against each item is also to be filled in. In case of any discrepancy, the rates quoted by contractor in words shall be taken as correct.
2. VAT, purchase tax, turnover tax, Service tax or any other taxes and duties prevailing in respect of this contract and the delivery charge shall be payable by the contractor and shall be included in the rates quoted. IACS will not entertain any claim whatsoever in respect of the same. The contractor should quote the rates / price comprising of the cost of all taxes including service tax and Labour Welfare Cess @ 1% of the value of the work done, duties, materials, labour, carriage/delivery including loading, unloading, Octroi etc. all inclusive.
3. Canvassing whether directly or indirectly in connection with tenders is strictly prohibited and the tender submitted by the contractor who resorts to canvassing will be liable for rejection.
4. The contractor whose tender is accepted will be required to furnish by way of Security Deposit for the fulfillment of his contract, an amount equal to 10% of the tendered value of the work. The Security Deposit will be collected by deductions from the running bills and Final bill of the contractor at the rates mentioned above and the Earnest money deposited in cash at the time of tenders will be treated as part of the Security Deposit.
5. On acceptance of tender, the name of the accredited representative of the contractor who would be responsible for taking instructions from the Engineer in Charge shall be communicated in writing to the Engineer in Charge.
6. All the works shall be carried out as per latest BIS specification corrected up to date.
7. If the contractor fails to maintain the required rate of progress to complete the work and clear the site on or before the contract or extended date of completion, he shall without prejudice to any other right or remedy available under the law, pay compensation the amount calculated at the rates stipulated below or such smaller amount as the Director may decide (whose decision in writing shall be final and binding) on the amount of the tendered value of the work for every completed day/week (as applicable) that the progress remains below or that the work remains incomplete.
Liquidated Damage shall be deducted from the bill @ 1.00 % per Week of Delay subjected to maximum of 5% of the Value of the work done.
8. The Engineer in Charge may without prejudice to his any other rights or remedy against the contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this contract or otherwise, and whether the state of completion has or has not elapsed, by notice in writing absolutely determine the contract in any of the following cases.

Part 6I (Technical Bid)

- (i) If the contractor fails to rectify/replace the defects despite of written notice by Engineer in Charge.
- (ii) If the contractor suspends the progress of work so that in the opinion of the Engineer in Charge he will be unable to secure completion of the work by the date of completion and do not improve performance even after written notice.
- (iii) If the contractor neglects to carry out his obligations under the contract and/or commits fault in complying with any of the terms and conditions and does not make for remedy, even after written notice.

When the contractor has made himself liable for action under any of the cases aforesaid, the Engineer in Charge on behalf of IACS shall have powers

- (a) To determine or rescind the contract. Upon such rescission, the full security deposit recoverable under the contract shall be liable to be forfeited and shall be absolutely at the disposal of IACS.
- (b) After giving notice to the contractor to measure up the work done by him, get the balance work done by another contractor. Any expenses which may be incurred in excess of the sum which would work had been executed by him, shall be borne and paid by the original contractor and may be deducted from any of his dues.

9. The time allowed for execution of the work or the extended time in accordance with these conditions shall be the essence of the contract.

10. The contractor shall submit Running Account Bill and Final bill supported by detailed Checking/ Completion certificate shall provide necessary assistance deploying staff knowledgeable in taking measurements & Labour and tools for checking the measurement and quality of work whenever required.

11. The contractor shall execute the whole and every part of the work in the most substantial and workman like manner both as regards materials and otherwise in every respect in accordance with specifications.

12. The contractor shall provide all necessary superintendence during execution of work and as along there after as may be necessary for proper fulfilling of the obligations under the contract.

13. A sum @10% of the gross amount of the bill shall be deducted from each running bill and / or Final Bill of the contractor as the Security Deposit. The EMD amount deposited shall be adjusted with Security amount so that the total security deposit shall be 10% of the executed value of the work including EMD.

14. (i) The contractor shall pay their workers as per the provisions of Minimum wages Act fixed and notified by the Government from time to time. No person below the Age of 14 years shall be employed to act as a workman. Contractor should conform to all other labour Laws prevailing at the time of execution of the Work.
(ii) First AID Box shall be made available by the contractor at all work sites.
(iii) The contractor shall provide all safety measures to his workmen like working platform, suitable scaffolding, gangways, ladder, helmets, gumboots, gloves safety belts, insurance coverage etc. according to the situation and nature of work.
15. In case of any dispute arising out of this contract during the progress of the work or after the cancellation, termination, completion or abandonment, the case may be referred to the Director IACS for conciliation.

It is also a term of the contract that if the contractor does not raise any claim in writing within 90 days from the date of cancellation, termination, completion or abandonment, the claim of the contractor shall be deemed to have been waived.

16. Labour Welfare Cess @ 1% (**under the Building and other Construction Workers Welfare Cess Act, 1996**) of the value of the work done shall be deducted from the Bill(s) of the contractor while releasing payment.
17. The Successful Contractor shall enter into Formal Agreement with "Indian Association for the Cultivation of Science (IACS)" within 7 days from the date of placement of the Work Order on a Non-Judicial Stamp Paper.
18. In the case of item rate Tenders, only rates quoted shall be considered. Any tender containing percentage below/above the rates quoted is liable to be rejected. Rates quoted by the contractor in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures and words. However, if a discrepancy is found, the rates which correspond with the amount worked out by the contractor shall unless otherwise proved to be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates written either in figures or in words, then the rates quoted by the contractor in words shall be taken as correct. Where the rates quoted by the contractor in figures and in words tally, but the amount is not worked out correctly, the rates quoted by the contractor will unless otherwise proved be taken as correct and not the amount. In event no rate has been quoted for any item(s), leaving space both in figure(s), word(s), and amount blank, it will

Part 6I (Technical Bid)

be presumed that the contractor has included the cost of this/these item(s) in other items and rate for such item(s) will be considered as zero and work will be required to be executed accordingly.

19. As soon as possible after the Contract is concluded, the Contractor shall submit a Time and Progress chart for each mile stone and get it approved by the Department.

20. If the work(s) be delayed due to the following reasons :-

- (a) force majeure, or
- (b) abnormally bad weather
- (c) serious loss or damage by fire, or
- (d) civil commotion, local commotion of workmen, strike or lockout, affecting any of the trades employed on the works, or
- (e) delay on the part of other contractors or tradesmen engaged by Engineer-in-Charge in executing work not forming part of the contract, or
- (f) any other case which, in the absolute discretion of the Engineer-in-Charge is beyond the contractor's control.

Then upon the happening of any such event causing delay, the Contractor shall immediately give notice thereof in writing to the authority for extension of completion period but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may reasonably be required to the satisfaction of the Engineer-in-Charge to proceed with the work.

21. The intending bidders shall submit the Technical literatures along with I.S. certificate with respect to each item.

22. The intending bidders shall furnish information about re-filling and maintenance of all the fire extinguishers in future.
